

HIGHDOWN HIDEAWAYS

Elderflower Lodge

Welcome. Everything you need for your stay is in here.

Hangleton Lane, Ferring, West Sussex BN12 6PP

Welcome to Elderflower Lodge. This was our family home for many happy years, and Luca made a lot of the furniture himself, from things we've salvaged, old snooker tables and telegraph poles among them. The eggs in your hamper are from our hens and the vegetables from our greenhouses. We live just across the nursery, so if anything is missing or not working, text Trina on 07940 796860 and we'll sort it.

In an emergency

If there is a fire

2. Meet at the meeting point, then count everyone.
3. Call **999** from outside. Read them the address on page 3.

If you smell gas

1. Put out any flame and don't touch light switches or plugs.
2. Turn the gas off at the bottle: where the bottles and their valves are.
3. Open the doors and windows and go outside.
4. Call the gas supplier's emergency line, number from the bottle label, then Trina.

If the carbon monoxide alarm sounds

It's where the CO alarm is. Open the doors and windows, get everyone outside and call Trina. Headache, dizziness or sickness: call **999**.

The gas safety certificate is pinned where the gas safety record is displayed.

2. From inside the tub, push the second half up.
3. To close, pull the rope: it brings both halves down. Close it every time you get out.

Keep it safe

- Use the toilet and shower first. No fake tan, suntan lotion or skin cream, and no soap or oil in the water.
- Stay in 15 minutes at a time, then get out and cool down.
- Not after a heavy meal, alcohol or sedatives.
- Keep your head above the water, and long hair away from the drains.
- One person per seat.
- Children only with an adult, and no children under 4.
- Pregnant, unwell, or on medicine for your heart: ask a doctor first.

Put the lid back down when you get out. We set the temperature. Water cloudy or cold? Don't add anything and don't use it; text Trina and we'll change it.

Our produce	In summer we open the greenhouses and sell what we grow.

Our story

We are Luca and Trina, and live on our nursery with our children and our dad who lives next door. We are a family built upon Italian traditions; great food, love and a glass of vino! We have spent many years renovating our nursery and converting the old packing shed into our new family home after spending many happy years living in Elderflower lodge before converting it into our own holiday let so people can come and enjoy what we have created. Every summer we open the greenhouses to sell our produce to the local community.
